

Press Release
January 2017, Online Quarantine
Applied at TPS

Surabaya (28/12). Quarantine Container Procedure now easier and faster with "Online Quarantine." At the Java room PT TPS administration building 2nd floor held the online quarantine socialization that was attended by all stakeholders of the quarantine service.

"The purpose of the online socialization is to make data of the quarantine containers can be optimized, precision, and well-integrated between PT TPS with the users/customers," said Solech, Public Relations of PT TPS PT. Quarantine online will soon be implemented in January 2017 soon, he added.

The event was attended by representatives of the Business Development Manager Wahyudi PT TPS, Noor Budiman as speaker by Dr. Eliza Rusli as head of the Balai Besar Quarantine Surabaya. In the socialization presented things associated therein, among others, the status flag quarantine procedure, the difference in the service of the document before and after procedures, online gate in and get out import procedures, and billing for the publishing activities of karatina.

Quarantine online revamp some procedures handling among others the Acc seals "Quarantine" as a marker for the service of documents that the container is exposed to the action of quarantine before submit to the Ministry a document to be made a job order delivery will be deleted/removed. In addition, Acc seals "Behandle quarantine" as a marker for the service of documents that the container is exposed to the action of quarantine before submit to the Ministry a document to be made a job order Behandle Quarantine (BHKI) are also deleted. several other activities in order to cut the quarantine environment quarantine at W Block, PT TPS.

Socialization which lasted about 40 minutes then followed dialogue among participants socialize with the speakers. There were complaining about the operating hours of a quarantine that has not 24/7, other participants also expressed the difficulties faced by the online system changes, among other items Withdrawal Process Warrant, and about container permits process on the same day.

"Actually, our team could still be working on a request for process Container and Equipment Interchange Receipt (CEIR), Job Delivery Truck Yard (DTY) with fixed print it out and make the process of quarantine in the W block while it is within the operational hours Tim Agriculture Quarantine Agency is 8:00 to 23:00 pm every day, "said Eliza Rush answered one of the questions of the participants of socialization.

Before the event ended socialization Business Development Manager Noor, representing PT. TPS thanked profusely to all those who contribute to the implementation of this socialization, hopefully when the quarantine online started to be implemented to further facilitate and expedite the owner of the goods."
